CAMELLIA JAPONICA VARIETIES

ALBA PLENO

Snow white, very double, good size flower, very early, no stamens, leaves narrow and pointed, some leaves variegated, slow grower, does not set buds when very young.

AMERICANA

Very large, beautiful shape, loose peony form, pink and red variegated with white margin, no stamens, thrifty grower.

CHANDLERII ELEGANS

One of the largest peony type. Cherry red and white variegated, and pink and white variegated. Some are thick peony type with 500 petals. Some flowers are loose peony type with yellow stamens. Leaves medium to large, thick, pointed, dark glossy green. Blooms young.

CHEERFUL

Little darker than pink perfection and many prefer it. Flower medium size. Full double. Little yellow stamens can be seen in some flowers. Very early. Blooms young. Leaves small, wide, thick, dark glossy green.

DIXIE

Rose pink, flower medium to small but very double. Mid-season bloomer. Sooner than Sarah Frost. No stamens. Very thrifty grower. Beautiful color against the green leaves.

DOUBLE DARK PINK NO. 415

Dark pink, with crinkly center, double, large flower, early bloomer, thrifty grower, no stamens. Leaves very large, thick, glossy.

DOUBLE PINK NO. 417

Pink, shades from dark to light pink, loose double, medium size flower, no stamens, mid-season bloomer, very thrifty grower. Leaves large, thick, glossy.

DOUBLE VARIEGATED NO. 416

Dark pink with small white stripes, very double, very thrifty grower, early bloomer. No stamens.

GLOIRE DE NANTES

Large size, semi-double, cerise, center petals often twisted. Mid-season bloomer. Light yellow stamens. Very large dark green leaves. Thrifty grower.

JAPONICAS—CONTINUED

JARVIS RED

Deep blood red, semi-double, large size flowers, some petals crinkled. The golden stamens set off the flower beautifully against the background of dark green foliage. Early and free bloomer. Leaves narrow and pointed and somewhat crinkled, very thrifty. Should be in everyone's collection.

MATHOTIANA ALBA

White bloom, few blooms have pink stripe, very double, no stamens, mid-season bloomer, very thrifty grower, leaves very large, thick, broad and glossy.

NOBLISSIMA

Creamy white, petals interspersed with yellow stamens, very early, free bloomer, very thrifty grower.

PINK PERFECTION

Very double, clear shell pink, dainty form, early bloomer, medium size flower, blooms last long. Thrifty grower.

ROSE EMRY

Crimson, peony form, medium size, some full double with no stamens, some flowers with small crinkly sponge center with yellow stamens slightly showing and larger than the full double flowers. Early. Blooms young. Thrifty grower, leaves medium to large, dark green, not glossy.

SARAH FROST

Double Rose Red, mid-season bloomer, very free bloomer, very thrifty and probably best known of any variety on the Gulf Coast.

THREE IN ONE

Pink, shell pink, and pink variegated, all on the same bush. Semi-double, large flower, early bloomer, very thrifty grower, yellow stamens, leaves large, thick, glossy, and some leaves variegated.
